

# HIGH SCHOOL & THE FUTURE OF WORK

## State Data Sheet ALABAMA

### EMPLOYMENT IN ALABAMA IS GROWING.

### JOB REQUIREMENTS ARE CHANGING.

### ALABAMA HIGH SCHOOLS MUST STEP UP.

#### TOO MANY STUDENTS DROP OUT:

DO NOT GRADUATE WITH THEIR CLASS

#### TOO FEW GRADUATE COLLEGE-READY:

All students

Black students

#### MOST GRADUATES GO ON TO COLLEGE:

# 1/2

of graduates enroll in some form of public postsecondary education in the state

#### BUT MANY REQUIRE REMEDIAL COURSES:

who enroll in 2-year colleges need remediation

who enroll in 4-year colleges need remediation

#### AND TOO FEW FRESHMEN COMPLETE DEGREES:

Students in 2-year colleges

Students in 4-year colleges

#### THIS LEAVES ALABAMA'S ADULT WORKFORCE FAR SHORT OF WHAT'S NEEDED TO BE COMPETITIVE.

IN 2014-15

# 54%

of job postings required an associate's degree or higher

BUT ONLY **34%**

of adults have an associate's degree or higher

#### And remember:

Degrees alone don't guarantee that workers have the other skills—the team work, the analysis, the problem-solving—that are so necessary in today's and tomorrow's economy.
